Brief and Memorandum in support.

Defendant contends that he has three issues to

2) Defendant's attorney and persons employed by defendant's appointed attorney, one said Anthony Vannoy, Defendant contends that Mr. Vannoy assured the defendant, and the Courts that he himself would personally contact the "Judge" and person responsible in determining issues such as conveyance of Defendant; as of September 25, 2007, Mr. Vannoy has contacted no person of an objective mind in Warren County; the defendant personally, as well as members of his family have spoken with numerous members of the Warren County Courts, Common Pleas and otherwise regarding every single charge the defendant faces in the Warren County [Circuit] Area; all of which have claimed that they have not heard from the defendant's attorney Mr. Vannoy.

Mr. Vannoy's employees have lied to, and misled the defendant and his family nearly every single business day since the defendant's appointment of said counsel; whether directly or indirectly, Mr. Vannoy is responsible for the acts of persons in his employ.

Reside in Hamilton County, defendant's family reside in Hamilton County, Defendant's witnesses in Warren County criminal proceedings reside in both Hamilton and Warren County, defendant contends that there is no logical reason why his case is still in the jurisdiction of the District Courts of Dayton Ohio, or in the custody of the US Marshal Service at Dayton Ohio.

Defendant feels that the interest in Justice would serve that since the defendant's Original Judge, Susan Drott is now unavailable that his case be assigned back to her docket.

The defendant requests that he be permitted to address the Court directly regarding these issues, in a more detailed, and descriptive manner.
